### RELATION TO OTHER AUTHORITIES

### EGGS AND EGG PRODUCTS NOT INTENDED FOR HUMAN FOOD

#### **§ 59.30 At official plants.**

(a) Requirements within the scope of the Act with respect to premises, facilities, and operations of any official plant which are in addition to or different than those made under this part may not be imposed by any State or local jurisdiction except that any such jurisdiction may impose recordkeeping and other requirements within the scope of § 59.200, if consistent therewith, with respect to any such plant.

(b) Labeling, packaging, or ingredient requirements in addition to or different than those made under this part, the Federal Food, Drug, and Cosmetic Act and the Fair Packaging and Labeling Act may not be imposed by any State or local jurisdiction with respect to egg products processed at any official plant in accordance with the requirements under this part and such Acts.

#### **§ 59.35 Eggs and egg products outside official plants.**

(a) For eggs which have moved or are moving in interstate or foreign commerce, no State or local jurisdiction (1) may require the use of standards of quality, condition, grade, or weight classes which are in addition to or different than the official standards or (2) other than those in noncontiguous areas of the United States may require labeling to show the State or other geographical area of production or origin. This shall not preclude a State from requiring the name, address, and license number of the person processing or packaging eggs to be shown on each container.

(b) Any State or local jurisdiction may exercise jurisdiction with respect to eggs and egg products for the purpose of preventing the distribution for human food purposes of any such articles which are outside of the official plant and are in violation of this part or any of said Federal Acts or any State or local law consistent therewith.

#### **§ 59.40 Continuous inspection not provided.**

Continuous inspection shall not be provided under this part at any plant for the processing of any egg products which are not intended for use as human food, but such articles prior to their offer for sale or transportation in commerce shall be denatured or decharacterized unless shipped under seal as authorized in §§ 59.504(c) and 59.720(a), and identified as prescribed by the regulations in this part to prevent their use for human food. Periodic inspections shall be made of such operations and records to assure compliance with the Act and the regulations in this part.

#### **§ 59.45 Prohibition on eggs and egg products not intended for use as human food.**

(a) No person shall buy, sell, or transport or offer to buy or sell, or offer or receive for transportation in commerce, any eggs or egg products which are not intended for use as human food, unless they are denatured or decharacterized, unless shipped under seal as authorized in paragraphs (c) and (d) of this section or in §§ 59.504(c) and 59.720(a) and identified as required by the regulations in this part.

(b) No person shall import or export shell eggs classified as loss, inedible, or incubator rejects or any egg products which are unwholesome, adulterated, or are otherwise unfit for human food purposes, except as provided in paragraphs (c) and (d) of this section, unless they are denatured or decharacterized and identified as required by the regulations in this part.

(c) Egg products which are unwholesome, adulterated, or are otherwise unfit for human food purposes that are not denatured or decharacterized may be exported to foreign countries for industrial use or animal food under the following provisions:
